LATEST IRISH FERMET.

TROUBLE NOT FINISHED.

SPECIALS AND SOLDIERS KIDNAPPED.

LONDON, February 9.

The day has passed without news of further happenings in Ulster, either raids or reprisals.

The Northern Government is actively taking measures for self-defence. Five thousand armed special constables are holding the frontier and repair gangs are busy restoring the telegraphs in Belfast and Enniskillen which the raiders cut last night. This may explain the dearth of news for that the trouble is not finished appeared from a message received in the evening that five special constables and four British soldiers were kidnapped at Monaghan to-day by the Irish Republican Army.

THREE MEN.

LONDON, February 9.

The condemned men in Derry Jail whose execution, fixed for to-day, precipitated, according to Mr. Michael Collins, the Sinn Fein raids into Ulster, are three men, including a warder, concerned in the attempted escape of Sinn Fein prisoners from that jail early in December when the warder was murdered and the police beaten and chloroformed. A reprieve was officially announced in Ireland on Tuesday evening. One sentence was commuted to penal servitude for life and the others to fifteen years' penal servitude. News of the reprieve was apparently not known when the raids were carried out.

COMPANY MEETINGS.

HONGKONG AND KOWLOON WHARF AND GODOWN CO., LTD.

A considerable falling off in earnings, due to the world wide trade depression was reported by the Chairman (Mr. D. G. M. Bernard) at the 35th annual meeting of shareholders in the Hongkong and Kowloon Wharf and Godown Company which took place in the offices of Messrs. Jardine Matheson and Coy. at 11 a.m. to-day.

Those present, in addition to Mr. Bernard, were:—The Hon. Mr. A. O. Lang and Messrs. G. M. Dodwell, P. A. Cox, A.S.D. Cousland, S. S. Perry, A. David and O. I. Ellis (directors), W. S. Brown (secretary) and the following shareholders:—Messrs. M. S. Northcote, T. W. Robertson, J. Arnold, A. W. Heron, C. H. W. Kew, J. Kew, A. G. Ellis, Ho Leung and P. K. Kwok.

The Chairman said:—"Gentlemen, I propose with your approval to follow the customary procedure, and take the Report and Accounts as read."

I regret to say that during the past year there has been a large falling off in earnings from practically all departments, particularly from storages, lighterwork, and coolies hire. This has been due to the world wide depression in trade and the consequent shrinkage in the volume of cargo passing through Hongkong. In order to reduce expenses, several godowns were closed during the year, the staff reduced, and economies effected in every direction.

The profit on working for the year amounted to \$698,183.07, which is \$263,430.89 less than the previous year.

Your directors are able to recommend the payment of the usual dividend of 20.00 per share, but do not feel justified in recommending the payment of any bonus this year.

You will have observed from the Report before you that at the suggestion of our Auditors, Depreciation has been debited to Profit and Loss Account instead of being dealt with at the Annual Meeting, as has been the custom hitherto.

Turning to the Balance Sheet, the "Land sold" referred to is a small portion of our property abutting on Canton Road, Kowloon, which was surrendered to the Government for road widening purposes. The Capital ex. enditurs mentioned under "Kowloon Buildings" is in respect of our new office, which will shortly be completed. The amount entered under "Kowloon Wharves" represents the balance of payment for our No. 1 Wharf, which was extended to 660 feet during the year.

I do not think the Accounts call for any further comment, and I now beg to propose the adoption of the Report and Accounts as presented. When this has been seconded, I shall be pleased to answer any questions shareholders may wish to put."

There were no questions and the chairman's proposal, which Mr. P. A. Cox seconded, was carried unanimously.

The confirmation of the appointment of Messrs. A. S. D. Cousland, S. S. Perry, P. A. Cox and O. I. Ellis was agreed to on the motion of Mr. C. H. Kew, seconded by Mr. T. W. Robertson and the Hon. Mr. A. O. Lang and Mr. G. M. Dodwell were re-elected directors on the motion of Mr. J. Arnold, seconded by Mr. A. W. Heron.

On the motion of Mr. M. S. Northcote, seconded by Mr. Ho Leung, Messrs. P. Maitland and H. Percy Smith were elected as auditors at a remuneration of \$700 each.

The Chairman mentioned that dividend warrants would be ready tomorrow and the meeting then terminated.

KOWLOON LAND AND BUILDING CO., LTD.

The 33rd ordinary meeting of shareholders of the above Company was held at its offices, Victoria Buildings, at noon to-day.

Mr. T. E. Pearce presided and there were present Mr. J. J. Rodger and Peter Hollett (directors), Messrs. L. G. Greenhill, J. H. Beth, W. J. Wilkinson, W. R. Wilkinson (shareholders) and M. S. Northcote (secretary).

After the Secretary had read the notice convening the meeting, the Chairman said:—"Gentlemen, I propose with your permission to take the Report and Statement of Accounts as read. The

GOVERNMENT RETRENCHMENT.

BUSINESS MEN'S REPORT.

CABINET MINISTERS INCOBBIGIBLE.

LONDON, February 9.

The anxiously awaited report of the Eric Geddes retrenchment committee is being published to-morrow. There has been fierce discussion in the Press of the Government's delay in publication which is attributed to the activities of Cabinet ministers revising committees and whittling down certain recommendations. It is believed they rejected £20,000,000, or one fifth of the suggested saving. The departments most prominently discussed are the fighting services and education department. It is declared that the cuts recommended are respectively £48,000,000 and £18,000,000. The Cabinet is reported to be divided on the subject of the cuts in the fighting services. The exact amounts of savings accepted will not be known till the Estimates appear.

PASSENGERS.

DEPARTURES.

Per the s.s. "Fushimi Maru" to-day:—Mr. Y. P. Kuo, Mr. T. W. Kydd, Miss D. E. James, Mrs. L. B. Parker, Mr. Lam Yik, Mr. Chan Kam Chow, Mr. A. H. P. Kuo, Mr. and Mrs. M. Yoshimura, Mrs. MacFarlane, Miss K. Kondomaki, Miss H. Watnabe, Mr. F. T. Li, Mrs. A. L. Salton, Master Arthur Sutton, Mr. Chow Yung Chun, Mr. Cheong Cheuk Shing, Mrs. Maria Ann Murray, Messrs. M. H. Ching, Pang Poon Yin, Chan Fai, Mr. Okazaki, Wang Ming Chin, I. Cristalli, O. Chozak, Miss Doris Yit, Sister Maria G. Lourdes, Mr. Bertinot, Mrs. V. Robt. J. Miss G. J. Lewis, Mr. Sha Chin, Miss P. S. Wu, Mr. Chin Yin, Mrs. A. J. Linke, Miss D. E. James, Miss P. Bull, Miss Lam Chu Fow, Mr. Chan Kuo, Mr. H. Robertson, Miss MacFarlane, Messrs. G. Jordan, Chin Ho, Mr. T. Tsao, T. Russell, Miss Beatrice Sutton, Mr. Chang San Sun, Mr. Pan Sui Hak Cheuk, but Che Messrs. H. T. Chen, Ma Wal But, Leung Hui Chan, I. Yoshio, L. Lemon, D. Alberti, A. Piloto, Miss L. Levi, Sister St. Stanislas, Sister Aimée de Marie, Mr. L. H. Jones, Mrs. Yan, Mr. A. J. Wool, Miss Rose Lee and Miss S. E. Stein.

Accounts now before us call for little or no comment, the result of the year's work being practically the same as that for 1920, so that it is now proposed to pay a similar dividend viz \$2.90 per share. During the year some negotiations were entered into for the sale of the three houses, Canton Villas, on Kowloon Island Lot 610 but these were not carried through to completion. The cost of upkeep has been slightly less than for 1920, while the demand for vacancies as they occur show no falling off. It has therefore been decided to further postpone any scheme of redevelopment. I now beg to propose that the Report and Accounts as presented be adopted and passed and shall be obliged if some member will kindly second.

Mr. J. H. Beth, seconded, and the motion was carried unanimously. Mr. M. S. Northcote proposed and Mr. L. S. Greenhill seconded the re-election of Messrs. T. E. Pearce and J. Rodger as directors of the Company.

Resolved members:—Mr. H. Percy Smith was unanimously re-elected auditor on the proposal of Mr. J. Rodger seconded by Peter Hollett. The meeting then terminated.

BUSINESS NOTICES

Fine Neckwear
is an Economy

A Tie Tie for which you pay a small price is not necessarily cheap in value received. It may bear the undesirable look of cheapness when you wear it.

A good Tie, while it may cost more, will be altogether more pleasing in service—and it will always look what it is.

Such a conspicuous part of your attire suggests the wisdom of selecting a quality that compliments both your taste and your knowledge of values.

SEAMEN'S STRIKE.

DELEGATES COMING.

DECISION BY EMPLOYERS.

PROVISIONAL SCALE REINSTATE.

The Secretary for Chinese Affairs (the Hon Mr. F. R. Hall) said today that definite news had been received from Canton to the effect that the seamen were sending delegates to Hongkong. The personnel of the proposed Board of Arbitration has been decided upon but will probably not be gazetted until the terms of reference are made known.

It was learned this morning that the shipowners held a meeting yesterday afternoon when it was decided that the employers' previous offer (providing for increases ranging from 7 1/2 to 25 per cent pending arbitration) should be again made available but without prejudice to the proposed arbitration. A *China Mail* reporter gathered that it was put forward merely as a provisional scale to operate until the arbitration award is known. It is not to be taken as a basis of arbitration.

Many points besides the actual wages question have cropped up during the dispute and it is felt that there are many variations between the conditions under which the men are employed by the different companies, that a general award is almost impossible to make upon this account. Some companies give bonuses and others do not, some have pension and others have not, and others have other details such as the question of providing uniforms, food, and other things which will have to be carefully gone into.

In the harbor today there were 128 ships representing a tonnage of 211,182. Up to noon 121 coolies had been requisitioned for various jobs.

INTIMIDATION CHARGE.

WINE WITH OLD FEET.

A Chinese seaman was charged before Magistrate Wood this morning with intimidation in connection with the strike. The charge was that he attempted to discourage a Chinese detective from boarding a steamer in the harbour, and that he used words calculated to cause a breach of the peace.

The detective said that yesterday afternoon he was escorting a silk merchant to the s.s. "Chik Kong" which was lying in midstream. They engaged a sampan at the Young Tai Hung wharf. As they were about to board the sampan the defendant came up and asked the witness where he was going. Defendant's demeanour was violent. The witness replied that he was going out to a steamer and defendant said "Don't you go. Don't you know the situation now? It is not advisable to go. You be careful." The witness asked why he should not go and then seized his arm.

The defendant asserted that the words he used to the detective were: "Don't go yet. When the strike is settled there will be plenty of work." He said nothing about being careful.

The detective denied this, and another detective stated that he had tracked the defendant along the Praya westwards for some time as he suspected him of being one of the Union's spies. He saw the defendant address the first witness and heard him use the words "It is not advisable now. If you go you will be doing wrong." The defendant's demeanour was threatening.

The Magistrate remarked to Inspector Watt that the only words making the defendant liable under the law were "You be careful" and these had not been corroborated.

Inspector Watt said that he had intended to call the silk merchant but the latter got "cold feet" and left for Canton. Undoubtedly he was afraid that he would be assaulted by Union men if he gave evidence.

The Magistrate remanded further hearing until Monday morning and allowed bail in the sum of \$1,000.

TO-NIGHT'S BALL.

CITY HALL PRETTILY DECORATED.

The annual ball of the Institution of Engineers and Shipbuilders takes place at the City Hall to-night. A small army of coolies under the supervision of the members of the Decoration Committee was busy all day transforming the building into a hall of beauty. The decoration outside the building is simple but attractive. First to catch the eye is a huge golden propeller suspended above the entrance. To the right and left, above the entrances to the Gentlemen's and Ladies' Cloak Room, respectively, are two beacon lights which should give a pretty effect at night. Passing through the entrance in the middle, one walks along a gangway flanked with palms and flags into the picturesquely decorated entrance hall. To the right of the hall is the bar, occupying the newspaper files room, while the library, with a profusion of flags and plants, with little tables strewn about it had been transformed into a cosy card room. The stairs leading to the dancing halls above are flanked with pot palms decorated with multi-coloured pendants. To the left of the entrance hall is another gangway leading to the Theatre where all the pit, stage and dress circle floor space is taken up by tables for the supper. Going up the stairs, at the top of the landing are the initials "I. E. S." flanked out with electric bulbs. Opposite it is an eagle with spread wings with the motto "Ubique" below. On the landing also is a pretty model of the "Charlotte Dundas" the first practical steamboat built in Scotland in 1801, the hull of which was laid down in Grangemouth by Alexander Hart, and the engines and boilers built by William Symington. Another interesting model is that of a tram car, built by the Tramway Co., in 1921. The two dance halls are simply but effectively decorated with flags and palms, with semi circular handstands arranged at the corners where a door communicates the two. The verandahs around the halls are covered with matting and flags, making them pleasant places for sitting out between dances. The whole scheme of decoration is well thought out and carefully executed. It reflects much credit on those responsible for it.

One case of plague and one of small pox, both fatal, were notified yesterday, also one case of cerebro spinal fever, not fatal. All three were Chinese.

The Ellerman Line s.s. "City of Siam" is due to arrive here at noon to-morrow (Saturday).
